### Focus on COVID-19 Vaccine

The Centers for Disease Control and Prevention (CDC) provides a wealth of [information about the different vaccines](#) available :

*(navigate from the left sidebar)*

- how the vaccines work
- detailed list of ingredients for each
- safety information, including allergies & side effects
- results of clinical trials
- myths and facts about the vaccines (under Key Things to Know)

You can check eligibility for the vaccine, vaccination location sites, and volunteer opportunities to help with [the vaccination effort in St. Lawrence County](#).

Find out more about the [NY State COVID-19 Vaccine plan](#). This site includes vaccine [FAQs in a variety of languages](#).

All of the sites are continually updated (sometimes on a daily basis) to provide the most up-to-date information on this evolving situation.

Some recent research news from the NIH:

- [Humidity from masks may lessen severity of COVID-19](#)
- [Lasting immunity found after recovery from COVID-19](#)

Check out the Libraries [Coronavirus \(COVID-19\) Resources Guide](#) to explore more or ask a librarian for help navigating any of these resources or sites.
