Resource Spotlight

Check out our newest resource guide on **LGBTQ+ Health**: educational, professional, and practical resources for health sciences students and clinicians to strengthen cultural competency and care around LBGTQ+ health.

Most of the linked resources are freely available, so please increase awareness by sharing this guide!

Don't miss these related library guides:

- LGBTQ+ & Sexual Orientation Discrimination
- · Medical Discrimination & Stigma
- · LGBTQ+ Library Resources

We offer many other research, resource, and informational how-to **guides**. The ones that are specific to health sciences and medicine are listed in the left sidebar of the **Health Sciences Library** web page.

Have ideas for topics or events you would like to see highlighted in Weekly Notes? Please let me know!
