Spotlight on EMS

EMS (Emergency Medical Services) Week was founded by the [American College of Emergency Physicians \(ACEP\)](#) in 1974 and serves as a dedicated time to honor the vital role of EMS professionals in providing emergency medicine that saves so many lives every day.

EMS at Clarkson

Clarkson University EMS Education Program

In the Summer 2022, an 11-week EMT course will begin May 25th for NY state original certification. Registration information and more details are on the website.

Clarkson University Offering Classes to Help Ease EMS 'Crisis'

WWNY 7News story (April 13, 2022) and interview with Douglas Wildermuth, Clarkson University Director of EMS

[Clarkson University EMS Student Team \(CUEMS\)](#) is dedicated to providing Emergency Medical Aid to the Clarkson community. They work closely with Campus Safety and Security. You can learn more about how to join the team, or request them to be present for your campus event, on their webpage or can follow the group [Facebook page](#).

In honor of what EMS providers do for us in our local community, Clarkson is hosting an [EMS Appreciation Continuing Medical Education \(CME\) Night](#).

National guest presenters Dan Batsie and Travis Howe will speak at the program. Free food and the opportunity to earn free Continuing Medical Education (CMEs).

— CLARKSON UNIVERSITY EMERGENCY MEDICAL SERVICES EDUCATION —
