

Clarkson™

MEMORANDUM

TO: Institutional Animal Care and Use Committee (IACUC): R. Latt, T. Lufkin (Chair), C. Darie, K. Wallace, M.B. Warburton, Elisabeth Wulandari, and M. Crimi

FROM: Michelle Crimi, Interim VP for Research & Technology Transfer

SUBJECT: Amended IACUC Membership for 2025

DATE: November 7, 2025

Let me start by expressing my gratitude for your willingness to serve as members of the Institutional Animal Care and Use Committee (IACUC).

Through this memorandum, I formally update the IACUC membership for 2025 by removing Ka Ho Leung from the list of members. Additionally, I appoint Mary Beth Warburton as the primary Local Community Member of the IACUC for another 3 year term. I greatly appreciate the dedication of both our new and continuing members in serving the Clarkson community in this capacity.

- R. Latt DVM (Scientist; FY 2022-2025)
- T. Lufkin, Clarkson, Department of Biology (Committee Chair, Scientist; FY 2024-2027)
- C. Darie, Clarkson, Department of Chemistry and Biomolecular Science (Scientist; FY 2024-2027)
- E. Wulandari, Department of Arts, Culture and Technology (Non-Scientist; FY 2024-2027)
- K. Wallace, Clarkson, Department of Biology (Scientist; FY 2024-2027)
- M.B. Warburton, Local Community Member (Non-Scientist; FY 2024-2027)

I would also like to acknowledge Ka Ho Leung. The Clarkson community is grateful for the time he has dedicated to serving on the IACUC Committee.

As a reminder, IACUC members serve three-year terms and are eligible for reappointment. Accepting an appointment or reappointment does not restrict your right to resign from the IACUC at any time, nor does it affect your eligibility for reappointment at the end of your term.

Thank you once again for your service on this time-consuming yet vitally important committee.

A handwritten signature in cursive script that reads "M. Crimi".

Michelle Crimi, Ph.D
